MINUTES OF THE WORKSHOP BEFORE THE
NEVADA STATE CONTRACTORS' BOARD
HELD MARCH 1, 2002

The workshop was called to order at 10:00 a.m. on Friday, March 1, 2002, at the offices of the State Contractors' Board, 9670 Gateway Drive, Reno, Nevada 89511. Exhibit 1 is the Notice of Intent to Act Upon a Regulation and a copy of the proposed regulation. Exhibit 2 is the Sign In Sheet.

STAFF MEMBERS PRESENT:

Ms. Margi Grein, Executive Officer
Ms. Nancy Mathias, Licensing Administrator
Ms. Jeanne Reynolds, Recording Secretary

OTHERS PRESENT

Jeannette Belz, Associated General Contractors, Nevada Chapter
John Madole, Associated General Contractors, Nevada Chapter

Ms. Grein called the workshop to order and explained the purpose of the workshop is to receive public comment on the proposed regulation to amend Chapter 624 of the Nevada Administrative Code to establish rules of practice before the board and to amend the sections of the regulation concerning certificates of eligibility to comply with changes to the law for specialty contractors and some minor housekeeping provisions. She indicated that the notice of the workshop was posted in compliance with NRS 233B on February 8, 2002 at the Las Vegas City Hall, the Sawyer State Building, Clark County Library Washoe County Courthouse, Washoe County Library, Reno City Hall and offices of the State Contractors' Board in Reno and Las Vegas.

Ms. Jeannette Belz and Mr. John Madole representing the Associated General Contractors, Nevada Chapter were present and offered comments on the proposed regulation. They questioned the reason for the proposed regulation. Ms. Grein stated that NRS 233B requires Boards and Commissions to adopt rules of practice. The Board is attempting to consolidate various regulations that relate to rules of practice under one section of NAC. Ms. Grein further indicated that this is the initial workshop and the Board will accept further comments. No further comments were provided for Regulation Number R-014-02.

Ms. Grein indicated Regulation No. R-013-02 is a housekeeping regulation to provide consistency with provisions of NRS 624 enacted by the 2001 session of the legislature. Ms. Belz and Mr. Madole questioned the change to NAC 624.665. Ms. Mathias explained that an application currently is required for an officer change and the change to NAC is to bring the regulation into compliance with current practice.

It was determined that numerous revisions are required to the proposed regulation, therefore, the scheduled hearing was cancelled and will be rescheduled.

Since no other members of the public were present to give comments, the workshop was adjourned at 11:20 a.m.

Respectfully submitted,

Jeanne Reynolds
Recording Secretary
