Of
The State of Nevada Contractors' Board

The State of Nevada Contractors' Board ("Board") will hold a workshop and public hearing on Thursday, August 25, 2005. The workshop will begin at 2:00 p.m. and the hearing will commence immediately following the workshop. The workshop and hearing will be video-conferenced between the Board's Henderson Office located at 2310 Corporate Circle, Suite 200, Henderson, Nevada 89074 and the Reno Office located at 9670 Gateway Drive, Reno, Nevada 89521. The purpose of the workshop and hearing is to receive comments from all interested persons regarding the adoption, amendment or repeal of regulations that pertain to Chapter 624 of the Nevada Administrative Code.

The following information is provided pursuant to the requirements of NRS 233B.060 and 233B.0603:

1. The need for and purpose of the proposed regulation or amendment.

The purpose of the proposed regulation is to amend Chapter 624 of the Nevada Administrative Code concerning the establishment of consumer protection bonds for residential pool and spa licensees and to establish a new subclassification for the installation of water and gas service lines from the point of service to the pool equipment under the A-10 Commercial and Residential Pools classification. The proposed regulation is to comply with the provisions of Senate Bill 434 enacted by the 2005 legislative session.

2. Either the terms or the substance of the regulations to be adopted, amended or repealed or a description of the subjects and issues involved.

The proposed regulation establishes the parameters for consumer protection bonds for licensees who perform work concerning a residential pool or spa and establishes a new subclassification under the A-10 Commercial and Residential Pools classification to provide for the installation of water and gas service lines from the point of service to the pool equipment. A copy of the proposed regulation may be obtained by writing to the Board's offices at 9670 Gateway Drive, Reno, Nevada 89521.

3. The estimated economic effect of this proposed regulation on the business which it is to regulate and on the public.

(a) Adverse and beneficial effects.

The adoption of this regulation may be beneficial to the industry since bond amounts are based on an individual licensee's criteria. The regulation also provides for a new subclassification under the A-10 Commercial and Residential Pools classification to provide for the installation of water and gas service lines from the point of service to the pool equipment.

(b) Both immediate and long-term effects.

The immediate and long term effect of implementing the change should be beneficial.

4. The estimated cost to the Agency for enforcement of the proposed regulation.

The cost to the agency should be minimal.

5. A description of and citation to any regulations of other state or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary.

The proposed regulation does not overlap or duplicate any regulation of other state or local governmental entities.

6. If the regulation is required pursuant to federal law, a citation and description of the federal law.

Does not apply.

7. If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

Does not apply.

8. Whether proposed regulation establishes a new fee or increases an existing fee.

The regulation does not establish a fee or increase an existing fee.

Persons wishing to comment upon the proposed action of the Board may appear at the scheduled public workshop and hearing or may address their comments, data, views or arguments, in written form to the Executive Officer of the Nevada State Contractors' Board, 2310 Corporate Circle, Suite 200, Henderson, Nevada 89074 or in Reno at 9670 Gateway Drive, Suite 100, Reno, Nevada 89521. Written submissions must be received by the Board five days prior to the scheduled hearing. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Board may proceed immediately to act upon any written submissions.
